**PLEASE NOTE:** *If you are taller than 5'8", you may require extra length, or if you measure larger than a size 16-- additional charges may apply and vary with each manufacturer.*

*Bridesmaid designers do not offer standard sizing. Most gowns run smaller than "ready-to-wear" sizes. Your measurements are used with the manufactures size chart to help determine the best size for you. Dresses are "special ordered" but not custom made to customer's measurements and will most likely require alterations. The size chosen is ultimately your decision and is final.*
